# VMware vCloud Architecture Toolkit Documentation Center

Welcome to the VMware vCloud® Architecture Toolkit (vCAT) 3.1 Documentation Center.

- See the Release Notes for information about using the vCAT Documentation Center.

- See the *Introduction* for a brief description of each document and a role-based, suggested reading order.

The documentation map shows the documents in the toolkit.

The usefulness of this toolkit depends upon feedback from customers and our network of partners. Please send feedback to ipfeedback@vmware.com.
